## **“Your contribution is tax deductible!”**

The Peachtree Ridge Foundation is as a 501(c)3 nonprofit organization.

### **Our Mission:**

“The mission of the Peachtree Ridge Foundation is to create and maintain a community for the Peachtree Ridge Cluster of Schools in their quest for excellence in academics, arts and athletics while maintaining excellence and integrity in all endeavors.”

### **Our Beginnings:**

In the summer of 2003 the Foundation embarked upon an aggressive membership drive to achieve 100 founding members by January 31, 2004. The foundation exceeded that goal with a total membership of 106 families. We invite you and your family to be a part of this foundation as we build traditions for the students of PRHS.

The Foundation awards grants which are submitted from the Peachtree Ridge cluster of schools three times per year.

The Foundation supports Academics, Athletics and the Arts through a grant program funded by three major fundraisers each year which include the Silent and Live Auction, the Annual Lions Golf Classic, and the Miss Peachtree Ridge High School Scholarship Pageant.

Your individual support as a Peachtree Ridge Cluster family will help the foundation grow and succeed in its mission.
